**University of Rhode Island/Department of Homeland Security  
Chemical Analysis in Chemistry**

**Registration Form**

Name: \_\_\_\_\_  
Street Address: \_\_\_\_\_  
City and Zip Code: \_\_\_\_\_  
Home Telephone: \_\_\_\_\_  
Parent Mobile: \_\_\_\_\_  
High School: \_\_\_\_\_ Year of Graduation: \_\_\_\_\_

URI, with funding from DHS, is pleased to sponsor two summer sessions on the subject Chemical Analysis in Chemistry. The sessions are open to high school students having taken one year or more of high school chemistry. You have been nominated by your high school chemistry teacher to participate in either of the following sessions. Please circle the session you would prefer to attend. They are as follows:

Session 1: 8th-19th July 2019 Monday-Friday, 10:00 am to 3:00 pm

Session 2: 22nd July-2nd August 2019 Monday-Friday, 10:00 am to 3:00 pm

The schedule will consist of morning coursework and afternoon laboratory experiments. Prior to working in the laboratory participants will receive comprehensive safety training. They are required to wear safety glasses and a laboratory coat during laboratory exercised. Both will be provided. All participants must wear long pants (i.e. no shorts) and closed toe shoes (i.e. no sandals, flip-flops, crocs etc). Students should bring a scientific calculator. All other essentials will be provided.

**Permission statements for parental signatures:**

Parents please acknowledge that you give your son or daughter permission to participate in this program with your signature.

Signature: \_\_\_\_\_ Date: \_\_\_\_\_

Please Print: \_\_\_\_\_

The organizers also seek permission to photograph participants in the laboratory for inclusion in annual reports and reviews. These pictures will not be used for advertising purposes. Please provide a signature if you grant permission.
